January 2003, Volume 1, Issue 6

IMPORTANT INFORMATION!!! FTS Pauses Migration of IT System

FTS is rescheduling the migration/cutover of the IT Solutions Legacy System (ITSS) to a new ITSS Integrated System. The Kansas City R6 rollover, originally scheduled for January 15-20, 2003 is now tentatively scheduled for March 12-17, 2003 to afford the region an extended opportunity to further prepare their data for a more successful migration. If you have any systems conversion questions, please call Claire Allman at 816-823-2963 or your Customer Service Representative.

The tentative schedule is:

Region 5 (Chicago) 2003	January 29 – February 3,
Region 4 (Atlanta) 2003	February 5 - February 10,
Region 11 (Washington, DC) 2003	February 12 - February 17,
Region 9 (San Francisco) 2003	February 19 - February 24,
Region 6 (Kansas City)	March 12-17, 2003
